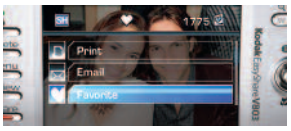
Kodak EasyShare V803
Zoom Digital Camera

Undeniably you

Meet your Kodak EasyShare V803 zoom digital camera. Take your best pictures with it, then keep them with you thanks to its Favorites feature. Pick your signature color and get the fun accessories to match. And, with its dynamic picture quality, you can share shots that are as vibrant and detailed as life. The V803 – make a statement.

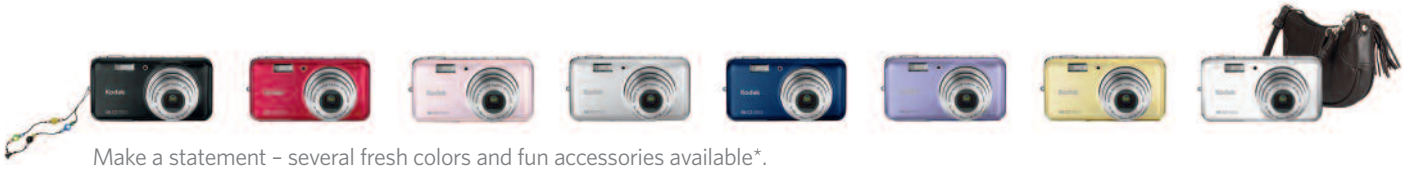
- Get bright pictures when shooting under low light conditions with the high ISO scene mode
- Get great shots time after time with 22 scene modes, including panorama stitch
- Use advanced video features to record VGA video (640 x 480) at 30 fps with sound
- Get remarkable results with features such as on-camera cropping, blurry picture alert and digital red-eye reduction
- Print, e-mail, and organize your pictures with just one touch of our exclusive on-camera Share button



On-camera Favorites feature
Keep your special pictures close without filling your internal memory.

Kodak Perfect Touch technology
Create better, brighter, more vivid pictures and clear up dark shadows right on the camera.

Anti-blur mode
Reduce blur caused by camera shake or subject movement.



Make a statement – several fresh colors and fun accessories available*.
